SUPPLEMENTARY INFORMATION: The Occupational Questionnaire is an optical scan form designed to collect applicant information and qualifications in a format suitable for automated processing and to create applicant records for an automated examining system. The 1203 series was commonly referred to as the “Qualifications and Availability Form C.” OPM has re-titled the series as “Occupational Questionnaire” to fit a more generic need. OPM uses this form to carry out its responsibility for open competitive examining for admission to the competitive service in accordance with section 3304, of title 5, United States Code. One change has been made to the form under *Section 14, Veterans’ Preference*. The addition of *Sole Survivorship Preference* was added to reflect the amended eligibility categories for veterans’ preference per Public Law 110-317, the Hubbard Act. Subparagraph (H) established the new category for veterans released or discharged from a period of active duty from the armed forces, after August 28, 2008, by reason of a “sole survivorship discharge.”
